MEMORANDUM FOR: Director of Medical Services

FROM: [redacted] STAT
Director, Foreign Broadcast Information Service

SUBJECT: Request for OMS Service

1. FBIS requests the service of your Research and Information Systems Division in analyzing and reporting on information obtained in a survey of users of FBIS products. The survey information is contained in approximately 175 copies of 3M Form No. 190-RST-30 returned to FBIS by survey participants. We understand that within the Agency OMS is uniquely equipped to electronically process these forms.

2. The form records survey respondents' coded answers to 113 questions about FBIS products and services. Each answer represents a choice of one to five listed possible answers. FBIS would like to know what percentage of respondents, by Agency office, by outside agency, and in the aggregate, is identified with each possible answer.

3. If your Research and Information Systems Division is able to undertake this task, please have someone from the division contact [redacted] STAT of FBIS [redacted] to arrange receipt of the material. STAT
